

City of Greensboro Inspections Division

Abandoned and Junked Vehicle Process

Complaint Received

A complaint is called into our office and is forwarded to the proper inspector; each area of the city has been assigned to an inspector.

The inspector can observe the vehicle while in the field.

Any government agency can make a complaint

The owner of private property can request in writing that a vehicle be removed.

Inspector Investigates

Private Property - must be operable OR properly licensed.

Public Streets - must be properly licensed AND be moved every seven (7) days.

Owner(s) notified

If the vehicle is on private property you will be notified by the bright orange sticker placed on the windshield. The owner will have ten (10) days to either remove the vehicle or make an appointment with the inspector to show them that the vehicle is operable.

If the vehicle is located on the street, then the owner is notified with a bright yellow sticker placed on the windshield. The owner is given a seven (7) day notice to remove the vehicle.

Inspector Re-Inspects

If the vehicle is not brought into compliance then the vehicle will be towed.
